

We are excited to announce our new Head Chef **Nestor Tablada** will be launching his new menu in April.

Born in the Philippines Nestor has always loved hanging out in the kitchen. Nestor spent his free time experimenting in the kitchen with his Mom and Dad.

To pursue his passion in the kitchen he took up the 'Culinary Program of Enderun Colleges' in the Philippines which has a partnership with Alain Ducasse, one of the world's most celebrated chefs.

At the age of 20 Nestor and his family decided to move to Melbourne.

In 2014, Nestor joined the team whom opened up Lucy Liu Kitchen & Bar and later further developed his culinary skills whilst working alongside Zac Nicholson at Rockpool Bar & Grill for almost six years and has worked for the Ganely Group and The Continental in Sorrento.

"I have always been enthusiastic about cooking and producing unique and delicious food."

The team at Saros will be offering our current menu along with specials until the launch.
